Network of Support Event at Woodcreek High School

Commissioner Bass, Commissioner Richardson, Commissioner Pennington, and Commissioner Stodolski all attended the event. This event helped the commission build a larger resource base. We were able to pick up brochures and network with other delinquency prevention programs. The commission has a standing invitation to attend next year. The commission discussed getting some type of banner to build up the table for future events.

Committee Reports

Community Relations

Commissioner Bass was able to research other commissions from 24 counties. Committee Chair John Richardson is having difficulty finding a time where everyone can meet. There will be a set time for the committee to meet put in place. Whoever can make it will be present. Looking for more events such as the Network of Support at Woodcreek High School will be on the agenda.

Juvenile Court Evaluations

Commissioner Shinstock and Commissioner Stodolski will be scheduling days to do interviews (mornings/evenings/weekends) at the court and the Juvenile Hall.

Probation Report

None. Probation was not present at this meeting.

New Business

The commission discussed the advantages and disadvantages of possibly becoming a non-profit. Other options, such as partnering with an existing non-profit organization so they act as the fiduciary agent, were also discussed as future possibilities. It was decided that the commission needs to start considering how the commission would handle money.

Commissioner Bass discussed possibly networking with the Sacramento County JJDPC. Commissioner Shinstock expressed interest in attending one of their meetings.

Commissioner Stodolski has ordered business cards for new members. He has scheduled a tour of the Hall for new commissioners on April 2 at 1pm. Commissioner Bass, Buller, and Atwal have confirmed they will be present.

Commissioner bios for the website need to be submitted by email to Commissioner Stodolski.
